David, this sounds like it's looking for similar documents (site reports - closure plans?) as other FOIA you were asking me about. Did you ever collect any such documents? Can you send me copies for this FOIA?

Separate Replies

Dear Ms. Green:

Pursuant to 5 U.S.C. § 552, this is a request that the United States Environmental Protection Agency ("USEPA") release copies of any and all documents, as described below, for six (6) separate cleanup sites ("sites").

In connection with each of the sites listed below, please provide all complaints, PRP letters, demand letters or administrative notices, correspondence with PRP's (as identified below), reports of site inspections and investigations, Remedial Investigations/Feasibility Studies or other technical reports, and all agreements which resolve, limit, or settle any USEPA action at the sites. This request is intended to be as broad as possible and includes the full period of time in which the USEPA was, or continues to be, involved with the sites.

This request is limited to the following sites:

Pennsylvania Sites

(1) Tyson's Lagoon Site, Upper Merion Township, Montgomery County, Pennsylvania. The PRP included in this request is Wyeth Laboratories, Inc. and/or Wyeth-Ayer Laboratories, Inc.

Re: Freedom of Information Act Request--  
Ekco Facility, Massillon, Ohio

0 HD 045 205424

Dear Sir or Madam:

Pursuant to the Freedom of Information Act (5 U.S.C. § 552), and Environmental Protection Agency ("EPA") regulations (Title 40, Code of Federal Regulations, Subchapter A, Part 2), I hereby request the opportunity to review the following records as that term is defined at 5 U.S.C. § 552a(a)(4).

(a) All EPA documents concerning implementation of the loss of interim status provisions of the Resource Conservation Recovery Act ("RCRA"), 42 U.S.C. § 6925 (the "LOIS" provisions);

(b) All documents comprising or concerning the computation by EPA of penalties for violations of RCRA financial assurance provisions;

WU 89-2762  
Fax: 202 887 8970

(c) All documents concerning the Ekco Facility, EPA No. OHD045205424, located in Massillon, Ohio ("Ekco Facility") which relate to RCRA or other solid and hazardous waste laws and regulations;

(d) All communications between EPA and Ohio Environmental Protection Agency regarding the Ekco facility which relate to RCRA or other solid and hazardous waste laws and regulations; and

(e) All documents from 1986 forward concerning closure, post-closure, and liability financial assurance for the Ekco Facility.

Thank you for your time and consideration in this matter. To the extent that you choose to provide us with copies of these materials, we will promptly reimburse you for costs associated therewith. Alternatively, I am available at your earliest possible convenience to commence my review of the documents. Please call me at the above number if you have any questions.

Very truly yours,
